

## How your contribution can help!

Every dollar raised makes a huge difference to the unprecedented conditions affecting the children of Haiti, so we desperately need your contributions to improve the lives of affected kids.

Save the Children can provide vital supplies with your support:

- \$5.50 can buy a mosquito net to prevent a child getting malaria – one of the biggest killers of children under five in emergencies
- \$44.45 can buy a student kit to help a child continue their education (containing rucksack, crayons, notebooks, lunch box, pencil case, rubber, sharpener, ruler, plastic water bottle).
- \$361 can buy child friendly space kit, with all the equipment and tools required (toys, building blocks, crayons, dolls, sports equipment, musical instruments and modelling clay.
- \$999.90 can buy a large tent which is used for mobile health clinics, temporary schools or child friendly spaces.
- \$3,888.50 can buy a 'housall', an innovative type of temporary shelter made of fabric that prevents over-heating and is breathable –for child friendly spaces and temporary schools.
